- 2.** I love the company values and all it has to offer and will definitely share some faces with you so they can experience the products & pampering as I have.
- 3.** I had no idea that Mary Kay offers so much! I need some changes in my current situation/life and want to take some information home and talk tomorrow to answer my questions. I promise I won't put my life up for committee vote.
- 4.** WOW! Only \$100! I'd like to give it a try! I want it all! I so desire extra money, choices, freedom/flexibility, fun girlfriends, mentors, prizes, recognition, luxuries, confidence and want to feel empowered by taking control of my life vs my life controlling me!
